### Did You Know?

**The GO TEXAN** Certified Retirement Community Program is a certification and promotion program provided by the Texas Department of Agriculture. The GO TEXAN stamp of approval ensures each certified community has demonstrated through its application that it can meet the living, employment/volunteer, health, entertainment, education and safety needs of its citizens and visitors - all the things that make Texas a great place to retire.

### Available Resources

**YAC**, The formation of youth advisory commissions (YAC) in cities across the state is a priority of the Texas Municipal League (TML) Board of Directors. In 2003, then-TML President Jackie Levingston championed the issue, and today dozens of Texas cities have programs that involve youth. This initiative provides cities with energetic volunteers for civic projects, gives city leaders a fresh perspective on issues challenging our cities, and creates a sense of accomplishment for youth.
