Grant Opportunities

EDA

FY 2020 EDA Public Works and Economic Adjustment Assistance Programs including CARES Act Funding provides economically distressed communities and regions with comprehensive and flexible resources to address a wide variety of economic needs. Projects funded by these programs will support work in Opportunity Zones and will support the mission of the Department by, among other things, leading to the creation and retention of jobs and increased private investment, advancing innovation, enhancing the manufacturing capacities of regions, providing workforce development opportunities, and growing ecosystems that attract foreign direct investment.

The Federal Communications Commission

Rural Digital Opportunity Fund is providing funding and designed the High Speed Broadband to bring high-speed, fixed broadband service to rural homes and small businesses that lack access. Submissions are due on October 22, 2020. [Click Here!](#) For more information.

EPA

The U.S. Environmental Protection Agency (EPA) Brownfields grant program is seeking applications to address environmental contamination by providing funds to prevent, inventory, assess, clean up, and reuse vacant, underutilized, and contaminated sites. Grant funds may be used to address sites contaminated by hazardous substances, pollutants, or contaminants (including hazardous substances co-mingled with petroleum) and petroleum. Submissions are due October 28, 2020. [Click Here!](#) For more information.

USDA

Water & Waste Disposal Loan & Grant Program This program provides funding for clean and reliable drinking water systems, sanitary sewage disposal, sanitary solid waste disposal, and storm water drainage to households and businesses in eligible rural areas. [Click Here!](#) For more information.
