### Funding Opportunities

#### T-Mobile Hometown Grant Application

T-Mobile has invested in helping communities across America thrive. They are committing up to \$25 million to small town grants over the next five years. Apply for funding to support a community project of your choice, like revitalizing a town hall, a senior center, a local little league field, or any space where friends and neighbors gather. T-Mobile looks forward to learning more about your town and your project. [Click Here!](#) For more information.

### Other Resources

#### Texas Demographic Center 2020 Census News

On April 26, 2021, the U.S. Census Bureau released the Apportionment Data for the U.S. and its states, the first results from the 2020 Census. Here we provide you with a closer look at Texas-specific information. Together with the release of the first population counts, the Census Bureau also released information on the quality indicators of the 2020 Census. #### 2021 Economic Development Week, is May 9 - 15, 2021.

Created by the International Economic Development Council (IEDC) in 2016, the goal of Economic Development Week is to increase awareness for local programs that create jobs, advance career development opportunities, and increase the quality of life in communities everywhere. Economic Development Week includes activities in communities large and small designed to highlight the importance of economic development and the good work that economic developers do every day.
