Other Resources

**Texas Water Development Board Clean and Drinking
Water State Revolving Funds Project Priority Invitation**

The Texas Water Development Board (TWDB) is inviting entities to submit information on projects to be included in the upcoming fiscal year’s State Revolving Fund programs’ Intended Use Plans. The Clean and Drinking Water State Revolving Funds financial assistance programs help communities save money by providing cost-effective funding for wastewater and water infrastructure projects. The Infrastructure Investment and Jobs Act appropriated additional funds for the State Revolving Fund programs, including special appropriations that will be available for “all eligible activities” in the SFY 2023 Intended Use Plan, along with other funding restricted to special eligibilities such as lead service line replacement activities and emerging contaminants. To be included in the initial Project Priority List for State Fiscal Year 2023, entities must submit a completed Project Information Form through the online application or by completing and submitting the Microsoft Word versions.

Application Deadline: Mar 4, 2022, 11:59 PM CDT

To submit a Project Information Form, [Click Here!](#)

Funding Opportunities

EDA Economic Adjustment Assistance Program

Economic Development Administration (EDA) offers this flexible American Rescue Plan Act grant to support job creation/retention through construction, non-construction planning, workforce development, and entrepreneurship and recreation economy support. Eligible applicants include cities, counties, institutes of higher education, and non-profits acting in cooperation with a political subdivision of the state.

Application Deadline: Rolling

For More Information and How to Apply, [Click Here!](#)

EDA Travel, Tourism & Outdoor Recreation Program

This program is still available to qualified applicants to accelerate the recovery of communities that rely on the travel, tourism and outdoor recreation sectors.

Application Deadline: Rolling Until Funding Exhausted
