**Funding Opportunities**

**National Endowment for the Arts (NEA) Our Town Grant Program**

This program is offering up to \$150,000 to facilitate creative placemaking to help strengthen communities. The program will fund arts, culture, and design projects that help advance local outcomes and improve integration of the arts. Projects may include activities such as

- **Arts engagement** including artist residency, arts festivals, performances, and public art.
- **Cultural planning** such as the creation of a cultural plan and arts integration in city master planning.
- **Design planning** through artist/designer-facilitated community planning, and public space design.

Application is due Aug.4. For more information click [Here!](#)
