Texas Tuition Promise Fund

Enrollment in the Texas Tuition Promise Fund, the State's prepaid college tuition plan, began Sep.1, 2022 and runs through Feb. 28, 2023. The Texas Tuition Promise Fund offers parents the chance to prepay a child's future higher education at Texas public colleges and universities at today's prices, excluding medical and dental institutions. The \$25 application fee to enroll in the plan will be waived for September and October enrollments. Participants in the plan purchase "tuition units" that can be used later toward undergraduate resident tuition and schoolwide required fees at Texas public colleges and universities, excluding medical and dental institutions. Prices are based on 2022-23 academic year costs for the state's public colleges and universities.
